

How PIMM-USA.com Works to Help Businesses Succeed

Before we begin to market for our clients, it is imperative to learn as much as we possibly can about their businesses, the services they want to highlight and the client population they are looking to reach. Below is an example of a PIMM marketing questionnaire which identifies keywords, neighborhood names and zip codes that the business owner wants to target to attract new clients.

PIMM-USA.com *Online Contact Form*

Name:	Bruce Povman
Business Name:	Povman Law Firm
Address:	108-18 Queens Boulevard, Forest Hills, NY
Zip:	11375
Business Type:	Law Firm
Keywords:	Real Estate Law, Medical Malpractice, Estate and Trust Law
Neighborhoods:	Queens, Forest Hills, Kew Garden, Rego Park, Flushing, Corona
Zip Codes:	11375, 11415, 11374, 11354, 11355, 11358, 11368

By using the marketing questionnaire and PIMM-USA.com's advanced SEO techniques, our goal is to get your website to page one for search queries typed into Google or Bing by potential clients looking for products and services in your local area.

Google

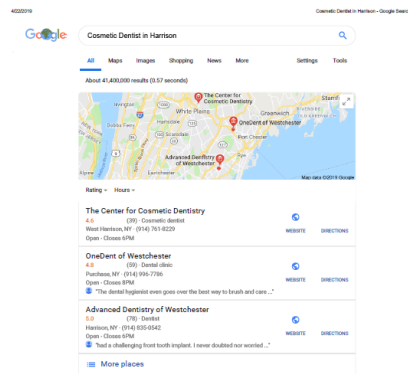

Bing

Better search results turn into more prospects clicking through to your website which results in more phone calls and online forms from those looking to become new clients.
